

**Important
information**
for patients on
regular medication

Do you order repeat prescriptions from your local pharmacy?

The process has changed, you are now
no longer able to do this

Repeat prescription ordering can **ONLY** be done in these ways:

Using our new Prescription Ordering Direct service (POD)
Telephone **01732 375 262**

Prescriptions can only be ordered over the telephone using
the number above.

Online via your GP practice website

Via your GP practice reception— simply hand in your white slip with
the medication you need ticked, please only order what is needed.

Please do not call your GP surgery to order repeat medicines.
